NEW LIST IN VIEW

Reading Matter for the Y.
M. C. A. Free Tables.Assistant Secretary—Work With
Sailors—Baltimore's Chaplain
Calls—Y. P. S. C. E. Man.

The Belgic brought news that M. A. Cheek of San Francisco had accepted the position of assistant secretary of the Y. M. C. A. under Mr. Coleman. He could not ready in time to take the Australia and would surely be down on the Alameda.

In a few days the list of periodicals and newspapers that are now to be found in the reading room, will be revised and those not read by the frequenters of the place, will be weeded out while others will be ordered. Bids will be invited and the contract for the supply of the reading matter let to some stationery store in the city.

The shipping Committee with Mr. Bluxome as the chairman, has been set to work and now the vessels in port are visited regularly. Papers are distributed and the sailors are made welcome to the Y. M. C. A.

Chaplain Freeman of the Baltimore called at the Y. M. C. A. on Sunday and after some conversation with Mr. Coleman, said that he was from Logansport, Indiana, a place only about 40 miles away from Mr. Coleman's home. He has been identified with church and Y. M. C. A. work for quite a number of years. He was pastor of the Christian church in Logansport for seven years and left that post to accept the present one, only within the last six months.

Mr. Watt who arrived here on the Belgic, is a member of the Board of Directors of the Y. M. C. A. of the City of San Francisco. He was a member of the Committee of Arrangements of the recent Y. P. S. C. E. convention in San Francisco and, as such, gained quite a reputation. It will be remembered that the work of that committee was by no means light on account of the vast number of delegates who had to be looked after.

MAUI'S BIG STORM.

Mail Carrier Nearly Loses His Life.

(Special Correspondence).

MAUI, November 6.—All day Wednesday and Thursday of this week, the most severe trade-wind rainstorm of the season swept over the Wailuku and Hamakua districts. Kahului escaped the heavy rainfall of the other higher districts. The rain gauge at Paia Plantation showed 3.32 inches, at Grove Ranch 4.75 inches and at Puuomalei and Makawao nearly 5.5 inches. All the gulches along the slopes of Haleakala poured torrents of water seaward. Thursday the Keanae mailman was swept with his mule down one of the ravines between Peahi and Honomannu. The mailman narrowly missed being drowned before he struggled out. The mail bag was lost and the mule was swept to the sea shore before he scrambled to the bank. There was heavy thunder and vivid lightning on Monday and Tuesday nights and during Wednesday.

The program for the meeting of the Maui Teachers' Association to be held on November 26, will include papers on Primary Reading, Nature Study, Primary Arithmetic, Drawing, News of the Day, Sand Modelling, Story Material and the "Use of Hawaii's Young People." It is rumored that the evening entertainment will be a dancing party.

The monthly meeting of the Makawao Literary Society will be held on the evening of the 12th at the residence of Dr. P. J. Aiken of Paia. The annual sale of fancy articles by the Ladies' Aid Society will also be held on the same evening.

There was another runaway accident at Paia during the week. No one was seriously injured.

Mr. W. Hay of Pepeekeo, is the guest of J. W. Colville of Paia.

It is said that Mr. Thayer will have charge of the new office of the Alexander, Baldwin Company.

Jurymen were recently summoned to attend the next term of the Second Circuit Court to open December 1.

Kahului harbor is still clear of shipping.

Heavy trade-winds with light showers continue.

The Favorite

IS THE FAVORITE place for the finest liquors only, and the best distillers of the United States Canada and Great Britain are represented. Best brews of Beer, either on draft or in bottles, may be had at all times.

His establishment is always orderly, and, with the services of his assistant, Mr. Thompson, customers are promptly supplied. Bethel and Hotel streets is a favorite corner for the lovers of cold Beer or fine Wines and Liquors.

Sham Battle.

Col. J. H. Fisher presided at a meeting last evening of the officers of the First Regiment. On account of the absence of number of the holders of commissions no decision was reached as to the proposal sham battle for the Recognition Holiday, November 28. The matter will be disposed of finally one way or the other at a special meeting on tomorrow evening.

Oahu Booming.

All interested in the new Oahu plantation are in a pleasant frame of mind these days. It was reported yesterday morning that more than 400 acres had been planted. The big new pump is now well trained and is furnishing all the water needed, with any amount of reserve strength and material. Water is being taken from six wells.
